## Feedback

“

EuroRust is the annual focal point of the European Rust community. Helsing is very happy to sponsor and support this truly inclusive celebration of learning, mingling, networking, laughing. Thank you, Sarah and Marco, for striking exactly the right balance between professional organisation and a friendly, supportive vibe. The Helsing crew is already looking forward to EuroRust 2025 – see you in Paris!

This year's @euro\_rust was great. I had an awesome time chatting with folks. Can only re-iterate: meeting in person is important.

EuroRust 2025: October 9-10, 2025

# What to expect:

Of course we will host another EuroRust in 2025! We aim for **800 attendees on-site** and additional **200 remote attendees**.

It will be a two-day conference with talks, panel discussions, and an `impl` room. There will also be plenty of networking opportunities during the conference as well as an after party.

Workshops and community-organized side events will be happening around the conference.
