Recap

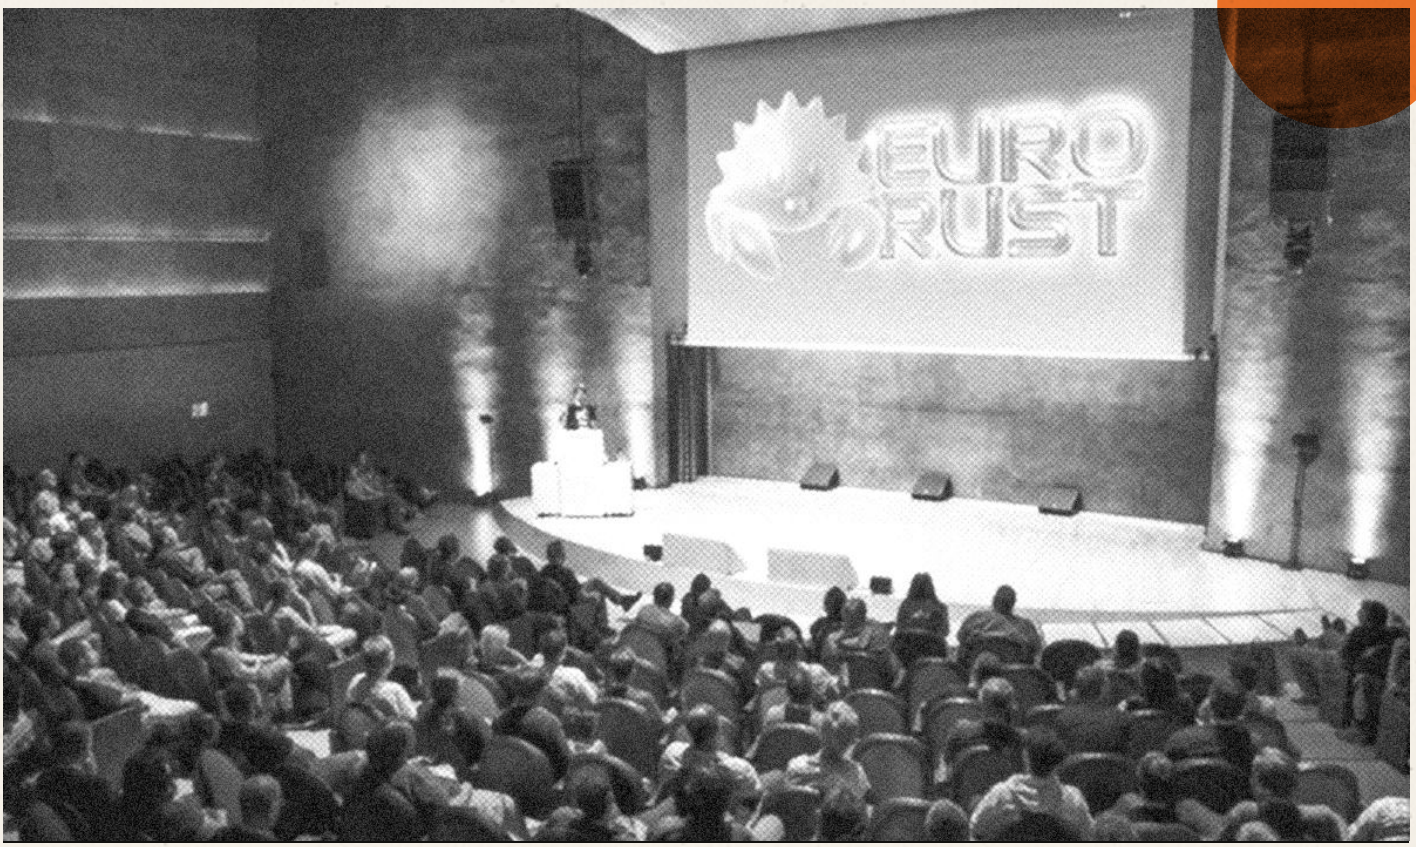

EuroRust 2026 was an overwhelming success.

We had over **500 attendees on-site**, as well as close to **100 attendees that attended online**.

We offered **31 talks** spread across two stages, **8 workshops** on the day before the main conference, and an **impl room** for collaboration on open-source projects. There were a **variety of side activities** as well, including a **community meetup, an impl day, city tours, karaoke, and an afterparty**.

45% of the attendees got their ticket from their employer, the rest attended as private individuals.

Thank you for an amazing EuroRust 2026!

Feedback

EuroRust is the annual focal point of the European Rust community. Helsing is very happy to sponsor and support this truly inclusive celebration of learning, mingling, networking, laughing. Thank you [...] for striking exactly the right balance between professional organisation and a friendly, supportive vibe.

- Robert Fink, CTO at Helsing

Thank you to the organizers of @euro_rust for a fantastic event for the #rustlang community [...]

- Rust Foundation, @rust_foundation

This year's @euro_rust was great. I had an awesome time chatting with folks. Can only reiterate: meeting in person is important.

- Armin Ronacher, Creator of rye and the Flask web framework, @mitsuhiko

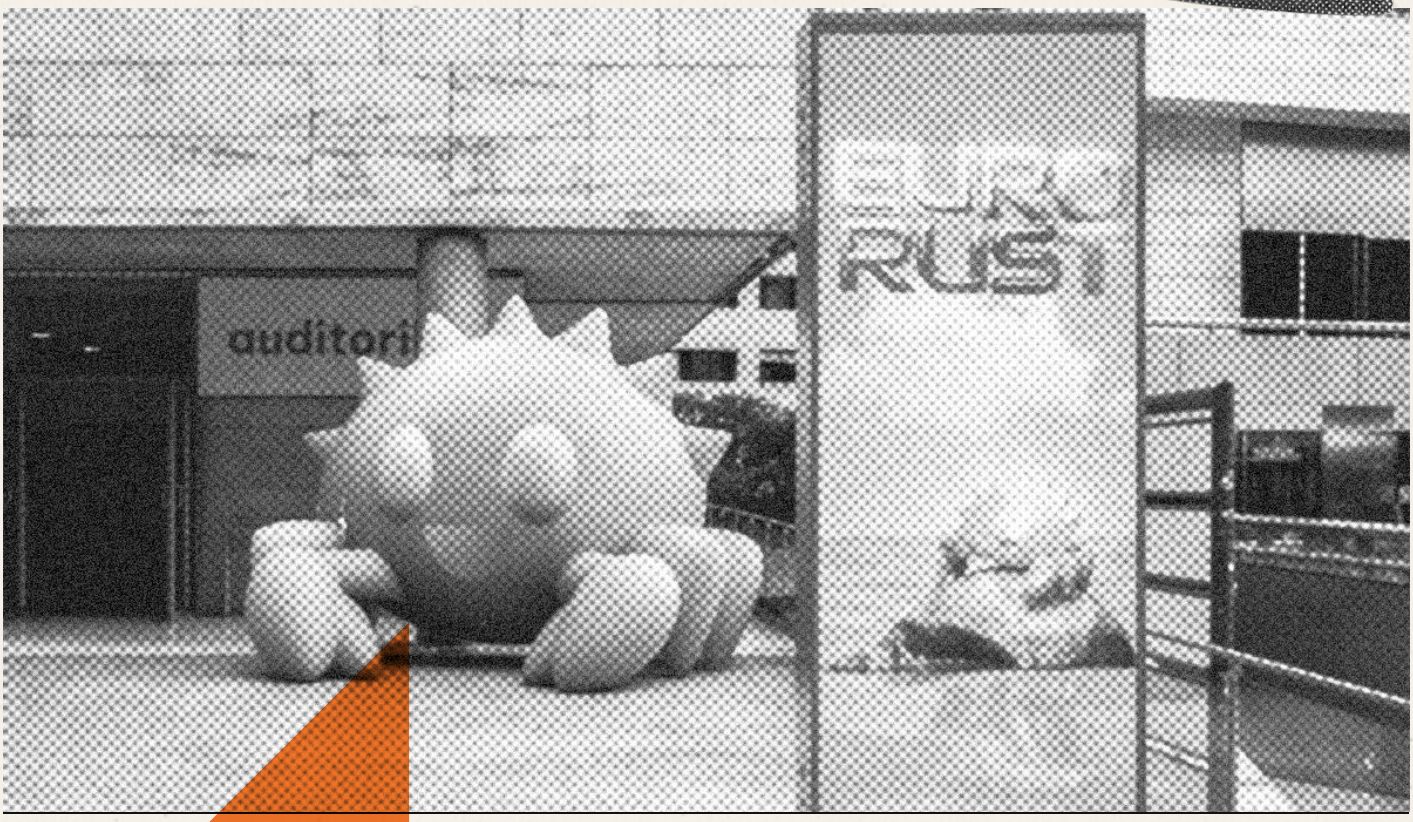

What to expect

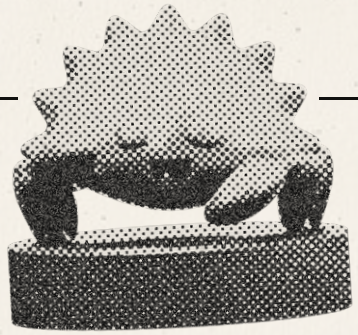

In 2027, EuroRust is coming to **Prague**. We plan to welcome **600 attendees on-site** and an additional **200 remote attendees**.

It will be a **four-day event** including a workshop day on October 13, two conference days with talks and panel discussions on October 14 and 15, an impl day on October 16, and of course plenty of fun side activities.
